Mail Stop Patent Application  
Commissioner For Patents  
P. O. Box 1450  
Alexandria, Virginia 22313-1450

Sir:

Please amend the application as follows before calculating the filing fee. The amendments are (1) to add a "Related Applications" section at the beginning of the application, (2) to correct minor typographical errors and make minor editorial changes in the specification, and (3) to present a new slate of claims for examination (all claims are being cancelled).
